

# Betty in Blunderland

*Betty in Blunderland* is a 1934 Fleischer Studios animated short film starring Betty Boop. It is based on *Alice's Adventures in Wonderland* and *Through the Looking-Glass* by Lewis Carroll.

## Plot

Betty falls asleep doing a jigsaw puzzle of *Alice* and the white rabbit. She "awakes" just in time to follow the rabbit through the looking glass and disguises as Alice into a modern wonderland. Betty meets most of the traditional inhabitants of Wonderland and sings "How Do You Do" (to the tune of "Everyone Says I Love You") to them. When the *Jabberwock* steals Betty away, everyone comes to her rescue. Betty wakes up back in her living room, just in time to prevent the white rabbit from again escaping from her puzzle.
