

Tracking down the Professor, Brannigan persuades him to tell what he knows revealing it is half of a document by the pirate Jean Lafitte with the professor holding the other half.

Country	United States
Language	English

Fearing for his life but clever and greedy, the Professor translates the map to reveal a treasure is on the island of Hispaniola but the Professor insures his safety by destroying the map and memorising the contents. Once on the island a treasure worth £25,000 is recovered but the Professor promises it is a drop in the ocean compared to another treasure buried later by Lafitte that the Professor says he can locate.
